

Thanksgiving Dinner Rhythm Composition

You can use this file in a variety of ways:

1. Use page with rhythms already included.
Have students cut out favorite foods and glue them on to a plate.
2. Use page without rhythms and have students write the rhythms in by clapping the words and determining the number of syllables.
3. Have students glue on a real plate or use the plate page included.
4. Laminate the colored page with foods and have students Velcro their favorite foods to the plate to create their composition.

Special Thanks to:

-----'S Thanksgiving Dinner

Directions: Cut out your favorite Thanksgiving foods and glue them on a plate. Clap the rhythms on your completed plate when finished to create your own Thanksgiving composition! Color in your finished project.
